For a back Entrance to a property, or for closing a avenue against stray cattle, the Gates illustrated are suitable.

THE SEMI-FINAL.

Manoeuvre is never satisfied with the first try, and against De Forest, who is a real player and son of Brian De Forest, he cut his tee shot into the trees. He lost the hole, and after a half at the second, De Forest missed a short putt to win the third. De Forest displayed the best golfing out of it, and turning up on Zear continued to play good golf, and disposed of the French boy on the second green.
